UK'S NUMBER ONE

ECOCLEAN ULTIMATE

PRODUCT

ECOCLEAN ULTIMATE

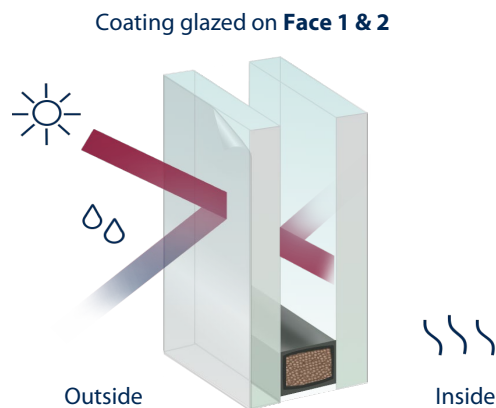

The UK’s premium performance roof glazing solution, combining solar control with an easy-clean exterior. EcoClean Ultimate delivers bright, thermally comfortable interiors with minimal maintenance.

ECOCLEAN ULTIMATE THE UK’S PREMIUM PERFORMANCE ROOF GLASS

KEY BENEFITS

- **Bright interiors** – 66% light transmission for naturally lit spaces.
- **Solar control** – G-value 0.32 blocks two-thirds of solar heat.
- **Low maintenance** – EcoClean exterior uses daylight and rain to reduce dirt build-up.
- **Thermal insulation** – Centre pane U-value of 1.0 W/m²K.
- **Neutral appearance** – Subtle tint for clear aesthetics.
- **Flexible single-pane** – Can be combined with patterned or laminated glass for design options.

WHY CHOOSE ECOCLEAN ULTIMATE

- **Roof-specific:** Optimised for overhead installations.
- **Toughened only:** Available in 4mm for safety and durability.
- **First of its kind in the UK:** Solar control and low-maintenance in one unit.
